

November 2008 Safety Newsletter

Physical Plant - Campus Services

Physical Plant-Campus Services (PP-CS) safety unit has now moved from the training focused portion of its calendar year, to the inspection focused portion of its calendar year.

The inspection portion of the safety calendar encompasses three evaluations completed from November 2008 – February 2009.

The first inspection, *Shop Self-Assessments*, has been completed by the impacted units. Thank you very much to the units for responding in such an expeditious and thorough manner.

The second inspection, *2008 Chemical Inventory*, will be conducted during the months of November and December 2008. Shop Superintendents, please check you office mail beginning 11-7-2008, for packets containing forms and instructions. There will be more updates on the process.

The third inspection, *EH&S Shop Inspections*, will take place January 2009. Please anticipate the questions for this process shortly after the distribution of the Chemical Inventory. Updates will be given on this inspection.

Safety T-Shirts

The Physical Plant-Campus Services (PP-CS) safety t-shirts have arrived and will be distributed as follows:
