

**PP-CS Safety Newsletter**  
**2-2-2009**

**Campus EH&S Inspections of PP-CS Shops Continue**

EH&S has begun its inspections of PP-CS shops. The remaining inspection schedule is as follows:

2-3-2009

Utilities  
Roofers

2-4-2009

Lockshop  
HVAC  
Marchant

2-5-2009

Paint Shop all Locations

Inspections will be conducted between 9:00 a.m. and 12 noon each day.

**Smoking Cessation**

The Tang Center will present the **“Are you ready to Quit Smoking?”** session:

2-11-2009

9:00 a.m.

2000 Carleton St., 246 A&B

This session will help you determine if this is the right time for you to give up smoking. The facilitator is a reformed smoker well versed in the challenges of what it takes to quit smoking. All PP-CS employees that would like to quit smoking or are considering quitting are welcome to attend.

Custodial and night shift employees interested in a session and classes on your shift please contact Angela Wade at 2-9348.

## **Defensive Driving Refreshers**

PP-CS has participated in defensive driving sessions over the past ten years, progressing from lecture sessions, to lecture and behind-the-wheel, to its current level of refresher status. Each level of the defensive driving program has produced a decrease in the number of vehicular accidents in which PP-CS personnel were involved.

The refresher sessions are structured as follows:

2-24-2009 through 3-19-2009  
Vendor will conduct ride along sessions  
Employee will drive vehicle used for daily work tasks  
Ride along will last 15- 20 minutes  
Sessions will begin at 9:00 a.m.

Please watch for future updates as the structure may change.

## **Safety Events:**
